

Technical site plan for a construction project in Bratislava, Slovakia. The plan shows a complex network of roads, including Hlavná ulica, Vlnová ulica, and Šmartinská ulica. Key features include a large building labeled 'OBJEKT A7', a 'SITULA' (water tower) structure, and a 'PODVOZ ŠMARTINSKA' (underpass) area. The plan also depicts various utility lines, including water supply and sewerage, and a railway line. A north arrow is located in the bottom right corner.
